**BAR BULLETIN NO. 33, S. 2022**

**RESCHEDULING THE 2020/21 BAR EXAMINATIONS  
TO FEBRUARY 4 (FRIDAY) AND 6 (SUNDAY), 2022**

As of today, 16.8% of the 8,546 Bar examinees who have responded to an email sent by the Office of the Bar Chairperson are any of the three: positive for COVID-19; living with someone positive for COVID-19; or under quarantine due to a direct contact. They are at risk of not being able to take the Bar Examinations if the original schedule of January 23 to 25, 2022 were to push through.

Also, given the current infection rate and quarantine situation of the Bar personnel, 16 of the 31 teams that will be deployed will be critically understaffed if the current schedule were maintained.

Considering these numbers, as well as the projections of the Court's expert consultants on the progress of this current COVID-19 surge, the Supreme Court *En Banc* has unanimously decided that the Bar Examinations be rescheduled to **February 4, 2022, Friday; and February 6, 2022, Sunday**.

The Court expresses its gratitude to the following local governments, whose indispensable help in these times has consistently remained responsive:

2. Pasay City

All existing instructions in previous Bar Bulletins not affected by this decision remain effective. All examinees will be advised to strictly undergo quarantine by **January 20, 2022, Thursday**.

An email address ([BarChairLeonen@gmail.com](mailto:BarChairLeonen@gmail.com)) has been created for any concerns which are not within the competence of the various help desks already created.

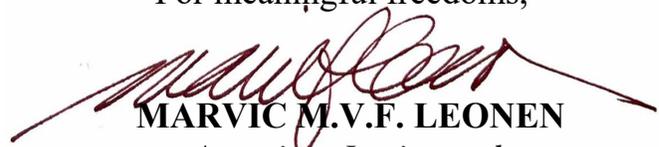

Bar examinees are urged to remain in solidarity with those who have been severely affected by this pandemic and the last typhoon. Lawyering is not only about you. It is a noble profession founded on compassion for others.

Be patient. Take a few days off to regain your composure and then continue with your preparations.

Soon, those who have the determination, tenacity, and resilience to overcome these challenges will become great lawyers who will serve our people well.

January 14, 2022.

For meaningful freedoms,
