BY THE PRESIDENT OF THE PHILIPPINES

EXECUTIVE ORDER No. 488

ESTABLISHING THE CLASSIFICATION OF ROADS

For the purpose of classifying and establishing the limits of public roads and fixing the responsibility for the proper maintenance of the roads built or to be built, and upon the recommendation of the National Transportation Board created by Executive Order No. 45, dated July 6, 1936, I, ELPIDIO QUIRINO, President of the Philippines, do hereby establish the following classification of roads:

I. NATIONAL ROADS:

All roads now classified as Insular roads; main traffic routes connecting provincial capitals with important commercial centers, national airports, national seaports, and national parks and roads of military importance, which may be so designated by the President, upon favorable recommendation of the Secretary of Public Works and Communications. National roads shall have a right-of-way of not less than twenty (20) meters, provided that a right-of-way of at least sixty (60) meters shall be reserved for roads constructed through unpatented public land and at least one hundred twenty (120) meters reserved through naturally forested areas of aesthetic or scientific value.

II. PROVINCIAL ROADS:

All roads connecting one municipality with another municipality, the termini to be the public plazas; all roads extending from a municipality, or from a provincial or national road to a public wharf or railway station and any other road which may be so designated by the Secretary of Public Works and Communications upon the request of the Provincial Board concerned and upon favorable recommendation of the Director of Public Works. Provincial roads shall have a right-of-way of not less than fifteen (15) meters provided that a right-of-way of at least sixty (60) meters shall be reserved for roads constructed through unpatented public land.

III. MUNICIPAL AND CITY ROADS:

All highways not included in the above classifications. Municipal and city roads shall have a right-of-way of not

less than ten (10) meters; provided that the principal streets of town sites located on public lands shall have a width of sixty (60) meters and all other streets a width of not less than fifteen (15) meters.

GENERAL PROVISIONS

(a) The construction, maintenance and improvement of National roads shall be accomplished by District and City Engineers under the supervision of the Director of Public Works, and shall be financed from such appropriations as may be authorized by the Republic of the Philippines in annual or special appropriation acts. The Secretary of

Public Works and Communications shall also allot all funds collected under the provisions of section 1495 of the Revised Administrative Code and Act No. 3992, as amended, with the exception of the 30 per centum of said funds, 10 per cent of which accrue to the municipalities for the maintenance and improvement of municipal roads and 20 per centum to the road and bridge funds to provinces and chartered cities for the maintenance and improvement of national roads, and whenever practicable or funds are not needed for maintenance purpose, for their construction.

(b) The construction, maintenance and improvement of provincial roads shall be accomplished by District Engineers under the supervision of the Director of Public Works subject to existing laws, and shall be financed with provincial funds and such aid as may be authorized by the Republic of the Philippines in annual appropriation acts.

(c) The construction, maintenance and improvement of municipal and city roads shall be accomplished by the municipal or city government concerned subject to existing laws, and shall be financed with municipal or city funds and such aids as are authorized by existing laws or may be authorized by the Republic of the Philippines in annual appropriation acts: *Provided, however*, That any municipal road of great importance to the province may, on request of the Provincial Board and upon favorable recommendation of the Director of Public Works, be classified as a provincial road by the Secretary of Public Works and Communications.

(d) The Secretary of Public Works and Communications shall cause the Director of Public Works to prepare from time to time a map showing the proposed system of national and provincial roads, which, upon approval by the President, shall constitute the official road map of the Philippines.

(e) Executive Order No. 135, dated December 31, 1937, as amended, is hereby further amended.

This Order shall take effect as of July 1, 1951.

Done in the City of Manila, this 6th day of November, in the year of Our Lord, nineteen hundred and fifty-one, and of the Independence of the Philippines, the sixth.

ELPIDIO QUIRINO
President of the Philippines

By the President:

MARCIANO ROQUE
Acting Assistant Executive Secretary
